

Back Bone

Develop SFA including:

- Ensure Strategic alignment
- Facilitate the collaborative network
- Drive sector and SFA communication
- Evaluation of the Child and Family Plan
- Professional development
- Convene Exec meetings

EXECUTIVE

Care-taker of the SFA and Child, Youth & Family Plan

- Ensure SFA's long term sustainability by considering the external environment and long-term future
- Keep the implementation groups strategically on track
- Manage the political interface
- Source and manage external partnerships
- Link to the Back Bone
- Determine funding directions
- Sign off on Evaluation plan.

MAIN GROUP

Support the implementation of the Child, Youth & Family Plan

- Maintain whole system common vision
- Set / sign off on Implementation Group core directions and major initiatives
- Facilitate cross-implementation Group synergies, opportunities, learning and innovation
- Respond to evaluation information
- Identify needed Alliance capacity building initiatives

Implementation Groups: Implement the Child, Youth & Family Plan

- Set implementation directions or carry out implementation directions decided by the Main Group
- Develop and implement activities and contribute data for shared measurement of outcomes
- Review the success of initiatives and share reports with broader membership & community
- Maintain strategic line of sight between initiatives and the Child, Youth and Family Plan
- Community education about the Plan
- Source resources and funding for initiatives.

Supporting confident parents ↔ Enhancing emotional resilience in children & young people ↔ Child/Youth Friendly Communities

Local School-Community Hub Steering Committees ↔ Transition to school ↔ Blue Mountains Consortium ↔ Paint Blue Read Early Literacy Program Bush trackers
