1 in 4 young people have told us that they are experiencing high levels of loneliness

"I think that our community would be safer if the parks had more bully free zones."
Harwood ASKS on Safety , 2018

"A safe community looks like a place where everyone is supportive and people feel free to look and feel how they want. A place where no one is judged and kids can be safe wherever they go" Harwood ASKS on Safety , 2018

Young people who experience higher rates of loneliness are more likely to be at risk of

low wellbeing
low resilience

Young people have told us that they need more safe spaces to hang out
